

CURRICULUM VITAE

Hamid Hosseinkoo

No. 2, Soltan Mohammadi Alley,
Jomhoori Eslami Street, Zanjan, Iran
P.O.Box 45156-68466

cell phone: +98 912 8413802
e-mail: hamidhosseinkoo@gmail.com

1. Education

- 2000-2004, B.Sc. in Pure Mathematics, Shahrood University of Technology
- 2004-2007, M.Sc. in Pure Mathematics, Amirkabir University of Technology (Tehran Polytechnic),
 - ◊ Thesis topic: The Dirac Operator on Symplectic Spinors
 - ◊ Supervisor: Dr. Morteza M.M. Rezaii

2. Research Background and Interests

- Symplectic Geometry
- Riemannian Geometry
- Differential Geometry
- Geometric Analysis
- Vector Bundles

3. Honors

- Ranked 85th among more than 8000 candidates in the Nationwide University Entrance Examination for Graduate Studies in Mathematics fields, 2004

- Awarded "Mosahab Prize" in Math. Department of Shahrood University of Technology, 2003

4. Teaching Experiences

- Calculus I
- Calculus II
- Local Differential Geometry
- Calculus I (Teaching Assistance)
- Calculus II (Teaching Assistance)

5. Talks and Presentations

- Clifford Algebras, Workshop on Spin Structures, *Amirkabir University of Technology (Tehran Polytechnic)*, Tehran, Iran, August 2007
