

Respected Sir,

I wish you good health and blessing.

I am Nazir Ahmad from Pakistan.

I have completed my M.Sc. (Hons) Agriculture degree in the field of Plant Breeding & Genetics in March 2015, with a cumulative grade point average (CGPA) of 3.79/4.00.

I have a lot of experience both in research work as well as in teaching. Now a days I have join a private college as a Lecturer and teaching Biology subject to 9th, 10th, 1st year and 2nd year students. Sir I will accomplish all the tasks accurately and timely. My CV along with other academic documents are attached here.

Thanks

Hoping to hear from you.
